

*'The Dyson of Child Seats'*

**Our Vision:**

To make the safest car seat in the world and provide our customers with knowledge, service and support which is second to none.

**Our Mission:**

Multimac is a team of honest, helpful, and intelligent individuals engaged in a quest to provide growing families all over the world with the ideal travel solution taking into account safety, quality, and convenience. We make life easier for big families and enable them to drive the car they desire and not one they have had to compromise on.

We champion our genius product at every opportunity we get, as do our customers, suppliers, and experts in the field.

We aim to be the go-to product for all families around the world with 2+ children, and will eventually be a household name, known and recommended by the car industry.

We will continue to evolve and bring more innovative safety items to the market under the Multimac brand.
